

4th *fib* Italy YMG Symposium on Concrete and Concrete Structures

New frontiers in concrete constructions'

15th-16th September 2025, Università di Napoli Federico II – Centro Congressi Via Partenope, Naples (Italy)

Contributions from young engineers are welcome for the fourth edition of the *fib* Italy Young Members Group **Symposium on Concrete and Concrete structures**.

The Symposium is an opportunity to share your research and expertise in an open forum on recent advances and challenges in the field of concrete structures. The submissions will be reviewed by *fib* members and best papers will receive the **award**:
"fib Italy YMG Award for best advances in concrete and concrete structures"

Organizing Committee:

Marta Del Zoppo, Isabella Giorgia Colombo, Elena Miceli, Simone Labò, Diego Talledo, Diego Gino, Giuseppe Ferrara, Simone Spagnuolo, Simona Bianchi, Davide Messina

Registration fee: free for *fib*, CTE and aicap members, www.cte-eventi.com/fibyongsymposium/

Submission format: Scientific paper (6 - 8 pages) + oral presentation
Design report (3 - 6 pages) + oral presentation

Proceedings: proceedings will be published and research papers will be indexed on Scopus

- Important dates:**
- 15 December 2024: Abstract submission
 - 01 April 2025: Paper submission
 - 01 June 2025: Final submission
